

RECTOR WINS HIS HEAT WITH EASE

Virginia Flyer Equals His Own and the World's Record in 100-Meter Dash—Daniels Wins Swim and Ewry Broad Jump.

LONDON, July 20.—The second week of the Olympic contests at Shepherd's Bush began with the first day devoted principally to field sports, such as Americaners are accustomed to witness. The track athletes were the stars, and the program contained many fast and exciting events. The American and British runners and jumpers gathered in the lion's share of the honors, as usual, but the Americans exceeded even the expectations of their supporters. Several hundred Americans, mostly tourists, with many ladies, were massed together in the seats next to the royal box, gave an exhibition of cheering which suggested an American college crowd and immensely amused the foreigners. The attendance at the games was fair, but the heat and the afternoon was gloomy and threatening rain.

The spectacular features to-day were the seventeen trial heats of 100 metres sprint and the eight trial heats of the 400 metres. These furnished the most exciting and stirring finishes. In the 100 metres America captured eight heats and Great Britain four. J. A. Rector, of the University of Virginia, was the particular star, for he beat quite handsomely K. G. Macleod, of Cambridge, the holder of three varsity blues, who never before was beaten, and in doing so he equalled the Olympic record for the distance of 10.4 seconds.

The names of Shepherd's Bush and Rector's Americans, went up on the blackboard as the winners of their heats in the 100 metres race. This event proved a disappointment to England, which was counting upon more than the two heats which it took. The Cambridge half-mile champion, who captured the sixth heat in 1:57.4-6, will give the Americans a hard tussle in the finals.

Many Victories.
C. J. Bacon, Irish-American Athletic Club, captured his heat of the 400 metres hurdle race in 57 seconds, winning by twenty-five yards, while Cox distinguished himself by defeating Densham, the former British champion, although he had just contested a hard 800 metres against Lough. The British won six and the Americans three of the nine heats in the hurdle race, and the victors of these were unexciting, because they were a walkover.

The American colors were raised to the flagpole three times, signifying victory in the finals in the 100 metres swimming, the 400 metres hurdle jump, and the 800 metres hurdle jump, and the American catch-as-catch-can wrestling, but these triumphs did not inspire such thrills as the track performances, because few spectators in the vast stadium could see them.

E. M. Daniels, of the American Athletic Club, the American champion, was expected, won the swimming event in the fast time of 1:05.2-5, which equals the Olympic record. He was closely followed to the tape by De Halmay, of Hungary. Julius, of Sweden, third, and G. Rieck, Brooklyn Swimming Club, who

was second to Daniels in the swim trial, finished fourth in the finals.

An American Event.
The standing broad jumping contest was practically an American event, although no notable records were made. Ewry, the American champion, being considerably behind his own record, made at St. Louis. His greatest distance to-day was 10 feet 11 inches. Tsaloltris, the Greek jumper, won second in this event, with 10 feet 7 1/4 inches, one-quarter of an inch better than Martin Sheridan, Irish-American Athletic Club.

J. A. Biller, Brooklyn Central Young Men's Christian Association; Platt Adams, New York Athletic Club, and P. Holmes, of Chicago, and the English champion, Ewry, were only a fraction of an inch behind Sheridan. George N. Mohr, national turn-of-the-century American, took the final in the bantam wrestling, while George W. Gaidzik, Chicago A. A., won his heat in the high diving competition. France won the medal for fencing, in which the many bouts were almost monopolized by continentals.

The results to-day added three wins to America's score, and one to France, the other nations not improving their positions. In the field events America added six points, while Greece, the only other nation to increase its score in these contests, added three. America is now only eight points behind the United Kingdom, the score reading: United Kingdom, 54; America, 46. The drawings for the heats in the second round of the 100 metres flat race, which will be run off to-morrow afternoon, are as follows:

First heat—May and Stevens, of America; Walker, of South Africa; Roche, United Kingdom.
Second heat—Sherman and Hamilton, America; Morton, United Kingdom; Kerr, Canada.

Third heat—Rector and Huff, America; Duffy, South Africa; Duncan, United Kingdom.
Fourth heat—Cloughen, Robertson and Cartmell, America; Stark and George, United Kingdom.

DANVILLE WON BY TIMELY HITS

(Special to The Times-Dispatch.)
DANVILLE, Va., July 20.—Danville won from Lynchburg to-day by hitting Reid at times when his meant runs. The two twirlers divided even on the number of hits, but Lee was far more effective at critical stages, having the visitors shut out at the beginning of the ninth. The Hill Climbers made a final bid for the game, a base on balls and a home run by Wallace netting them two runs. The hitting of Wallace, left fielder, was one of the features of the game, he securing a triple and a single, besides the home run. He was caught off this after knocking a three-sacker.

EQUALLED WORLD'S RECORD

JAMES A. RECTOR, the 100-meter dash at the Olympic games yesterday, and his trainer, H. H. Lounsbury, in the first heat of the 100-meter dash at the Olympic games yesterday. Rector won the heat in the time of 10.4 seconds. If no accident happens the Virginia flyer should win the final event next Saturday.

EXCITING RACES AT FAIR GROUNDS

While not of the classic order, good sport was provided by the Richmond Driving Club at the Fair Grounds yesterday. Every race was of the sort that brought the spectators—and there was a good-sized crowd in attendance—to their feet. Several times in the harness events it was a case of winning by a nose. The track was fast and the time in several of the races was good.

It took five heats to decide the gentlemen's race. The first heat was featureless. The Madam getting the lead and maintaining it from the start, with Labama second, lengths behind. The latter, however, seemed to like the going, and in the second heat it was nip and tuck between the two, first one taking the lead and then the other, but The Madam came up with a rush at the finish, winning by a nose.

The third heat had a similar contest, but this time Labama won. Labama improved in the next two heats, annexing both without much difficulty. Dexter Tice and Nelly Whalebone third and fourth in all five heats.

A. J. S. had no difficulty in taking the three heats, with Rock Sand second each time, in the 2:40 trot or pace.

Marriage Bells took the rail from Onseak at the stretch in the four and a half furlongs event, and won by a half length in the lead, with Reetortown a close third.

Gold Coin made the pace for half

the distance in the three-quarter mile dash, but was nipped out of first by Broadway Girl, with Little Cita third.

A good card has been arranged for to-day, which ends the meet.
